St Paul's Mt Victoria
Entrance Ant: Let us all rejoice in the Lord, as we celebrate the feast day in honour of all the Saints, at whose festival the Angels rejoice and praise the Son of God.
Communion Ant: Blessed are the clean of heart, for they shall see God. Blessed are the peacemakers, for they shall be called children of God. Blessed are they who are persecuted for the sake of righteousness, for theirs is the kingdom of heaven.

1st November ALL SAINTS
A Saint is someone who the Church believes is in heaven with God. Wrongly, we often think Saints are perfect, but in fact their greatest witness is how they coped with the ordinary difficulties of life and how they reflected in a variety of ways the love of God.
For most of us sanctity and martyrdom will not come in dramatic ways. The daily routine of looking after a sick child, spouse or parent, of living with a mental, physical, emotional or spiritual illness, the scourge of being unemployed, homeless or addicted and the feeling that we are unlovable brings with it the reality of sharing in the lot of the martyrs and saints.
In this Mass may we have the grace to live a holy life that, in ordinary ways, demonstrates the extraordinary power of God working in us. In doing so, in our sacrifices, forgiveness and love may we remain faithful to the women and men who are our saintly heroes and pray that we remain faithful to the Gospel of Christ as they did.
‘We will be true to Thee ‘till death.’

31st Sunday - All Saints Day

Dear friends in Christ

This week's celebration of All Saints and All Souls is our traditional start to the month of November, when we pray for all who have gone before us - especially those who have died in the past 12 months.

Many of those for whom we pray in November are probably already experiencing the Beatific Vision, seeing God face-to-face! Just because the Church has not officially declared someone a 'saint' doesn't mean that they are not a saint. Indeed, there are many whom we have known who have lived worthy and faithful lives!

Whether declared a saint officially or one of the multitude of faithful dead, let's ask for their intercession to the one true God on our behalf, so that, one day, we can be in the midst of the joyful heavenly throng, living a life of blessedness in the presence of the loving and eternal God of the universe.

Masses as normal this coming week.

I will be on Annual Leave from 9-26 November. As a result there will be a modified weekday mass timetable during my absence: no Saturday morning at Blackheath; no Vigil Mass at Mt Victoria on Saturday evening; no Wednesday morning mass at Wentworth Falls. A Supply Priest will celebrate the 8am & 10am masses on Sunday mornings.

Kindergarten and Years 1 & 2 from St Canice's School will be joining us for next Friday's midday Mass.

God bless you all. Have a great week!

Fr John

PARISH AGM: Reports from Ministry Group Coordinators are due this weekend. Please send these to the Parish Office for collation and printing. The AGM will be held in the church on 29th November after Mass. You can attend this meeting via Zoom as well as in person. A Zoom link will be sent out closer to the meeting to those on the email list and those who request it. Send your request to the Parish Office (Blackheath@parracatholic.org) or Brian Bright (bbright45@bigpond.com)

MORNING TEA; This will be served in the hall this Sunday. As responsible consumers, you are asked to bring your own cup and take it home with you to wash at home. There will be paper cups for those who forget, but you will be asked to pay \$1.00 for the privilege and this will contribute to the funding of morning tea.

REMEMBERING THE FAITHFUL DEPARTED: Following our usual custom of praying for loved ones departed in the month of November, in place of a written request in the booklet this year, please write your request on a card or slip of paper and place it in the basket provided near the church entrance. This procedure will be more Covid Safe.

NAIDOC WEEK: NAIDOC Week is celebrated annually in July but due to COVID-19, it will be held this year between Sunday 8 and Sunday 15 November. The theme this year is "Always Was, Always Will Be". NAIDOC is celebrated not only in Indigenous communities, but by Australians from all walks of life. The week is a great opportunity to participate in a range of activities and to support your local Aboriginal and Torres Strait Islander community. "Always Was, Always Will Be" recognises that First Nations people have occupied and cared for this continent for over 65,000 years. We are spiritually and culturally connected to this country. This country was criss-crossed by generations of brilliant Nations. Aboriginal and Torres Strait Islander people were Australia's first explorers, first navigators, first engineers, first farmers, first botanists, first scientists, first diplomats, first astronomers and first artists.

LIVESTREAM MASSES
Livestreamed Masses from across the Diocese of Parramatta are still available on the Diocesan website <https://www.parracatholic.org/covid19#online>.

Australia has the world's oldest oral stories. The First Peoples engraved the world's first maps, made the earliest paintings of ceremony and invented unique technologies. We built and engineered structures - structures on Earth - predating well-known sites such as the Egyptian Pyramids and Stonehenge. Our adaptation and intimate knowledge of Country enabled us to endure climate change, catastrophic droughts and rising sea levels. Hundreds of Nations and our cultures covered this continent. All were managing the land - the biggest estate on earth - to sustainably provide for their future. Through ingenious land management systems like fire stick farming we transformed the harshest habitable continent into a land of bounty. NAIDOC Week 2020 acknowledges and celebrates that our nation's story didn't begin with documented European contact whether in 1770 or 1606 - with the arrival of the Dutch on the western coast of the Cape York Peninsula. For us, this nation's story began at the dawn of time. NAIDOC 2020 invites all Australians to embrace the true history of this country - a history which dates back thousands of generations. It's about seeing, hearing and learning the First Nations' 65,000+ year history of this country - which is Australian history. We want all Australians to celebrate that we have the oldest continuing cultures on the planet and to recognise that our sovereignty was never ceded."
