The decisions called for in today's readings are life decisions. The people at the time of Joshua had to decide which god they would worship. The disciples of Jesus had to decide if he was the one who would fulfill their messianic expectations. We have life decisions to make as well. How will we choose?

The choices we make determine the character of our union with God. God called us out of the slavery of sin and protected us throughout the journey of our lives. Jesus walked with us through the challenges of life and performed wonders for us. Why should we look elsewhere? Because we face new challenges. The new demands placed on us may be so great, or the commitment required of us may be so demanding that we feel that we can no longer walk with him. The church may be changing in ways we do not appreciate, or it may not be changing in the ways we believe it should, and so we may feel that we can walk with him no longer.

If we decide to commit ourselves, we will enter into a union with God that is deeper than anything we have previously known. However, this union will be based on faith. We may understand no more than we did in the past, things may be no more to our liking. But, 'to whom shall we go?' Jesus is God's holy one; he has the words of eternal life.

# Sacred Heart Parish

Sacred Heart Church ~ Blackheath  
Saint Paul's Church ~ Mount Victoria  
Saint Joseph's Church ~ Megalong Valley

As a community bonded together through faith,  
we are called to share our experience of God with those we meet each day,  
in particular, those in our local community.

*We acknowledge the Darug and Gundungurra people, the traditional custodians of this land  
and pay our respects to the elders past and present.*

From this week Sunday 25 July 2021  
Mass will be livestreamed on YouTube  
not Facebook. The reason being that  
you need to have a Facebook account  
to watch the masses through Facebook,  
whereas YouTube is available to any-  
one with internet and either a phone or  
computer.

**During this difficult time:**

Please look out for each other and place a  
phone call to check in with someone who  
might need to hear a friendly  
voice. If you are feeling uncertain or  
worried, please reach out to someone.

You are not alone in feeling this way and  
there are people willing to listen and help  
where they can. Let us continue to pray  
for one another, the covid situation of our

## Reflection

The Readings chosen for this Sunday speak of three things for our consideration: Relationship, Choice, Covenant.

Relationship: it is always good to reflect on our relationship with the Lord, examining our faithfulness or otherwise. And such reflection on the way we live the Gospel leads us to make a....

Choice: there are numerous occasions when we must imitate the People of Israel at Shechem, when we need to be like the Apostles, when we need to say 'yes' to the Lord.

And this lead us to renew our Covenant with the Lord.

Covenant: this Semitic concept is all about commitment... God loves us and supports us always; are we willing to follow the Lord in all things?

Although it would be of great benefit for us to reflect on these three moments every day, we are also given the opportunity every time we celebrate the Mass. In the Penitential Rite we are able to

- \* reflect on our relationship with the Father
- \* choose to try and do better in the future
- \* ask for the Spirit to renew our commitment to the Lord and the Gospel

And so, today let's imitate the People of Israel at Shechem; let's act in a way similar to the Apostles at Capernaum; let's make a change from a sometimes lukewarm and apathetic faith commitment to one that is on fire with Love for God and God's people!

Let's say with St Peter:

***"Lord, to whom shall we go? You have the word of everlasting life".***

As we move into our third month of Lockdown, let us continue to pray for an end to the spread of this highly contagious Delta variant; indeed, let us pray that we can come out of this time of trial sooner rather than later. Furthermore, let us do whatever we can to support the Common Good through our own actions and decisions. Given the stricter rules in place at present, we all need to do our part to prevent the spread of this insidious disease.

I hope to continue the practice of live-streaming the 10am Mass from St Canice's even after Lockdown. There are many in our community who would be grateful for this, as not everyone is able to attend Mass in person every week.

Finally, let us keep the people of Afghanistan in our prayers at this time; let's hope that there will not be widespread persecution and killing in the future. And let us hope that those in need - especially the women and children of Afghanistan - will receive the support and care that they need.

God bless you all.

Fr John

## **URGENT ACTION REQUIRED:**

Our Diocesan Journey Team, our Refugee agencies and Sydney Alliance have been flat strap this week – with the tragic disaster unfolding in Afghanistan – the key goal being to encourage our government to take decisive, real and compassionate action. The Catholic Community is well behind this incentive. The need for as many people to take action on the 4 key asks of government is important – as soon as possible – while this issue is still top of the news. Please see the article in today's (Aug 19) Catholic Outlook.

## **Home Ground Online:**

HOME Ground is a schedule of new and pre-existing online gatherings to support the wellbeing and connection of people of our Diocese each evening for the next few weeks. Check out the schedule via the diocesan web-homeground
